NCS S8500-N

### Interior walls & ceiling

Light gray felt

### Tabletop & shelves

Oak wood melamine

### Seating upholstery

Gabriel Chili

60115

## Designed for disassembly

Our engineers implemented DfD tactics to ensure the next practical use of each Jetson's part.

## Agile equals sustainable

Easy to adapt and move. Jetson adds flexibility to your office space and makes a perfect alternative to fixed construction.

## Hero aluminum

Aluminum is 70 percent recycled material that can be reused over and over again.

## Built to last

Extruded aluminum structure means you won't need any other pod for years and years. And the planet will appreciate it.

## Easy-repairable

Jetson is constructed entirely of easy-replaceable elements. So if needed, the repair is quick, cheap, and easy.

## Light on CO<sub>2</sub>

Jetson's lightweight construction reduces CO<sub>2</sub> emissions in transportation.

**Meet ISO 9001**  
Environmental management system

**Shipped in flat cardboards**  
Reducing the carbon footprint

**Meet European Union Restriction of Hazardous Substances Directive**  
2002/95/EC (RoHS 1)
